# FALL NEWS

Dear Pi Phis,

Can you believe that it is almost the end of 2022 and we are about ready to start 2023?

Our theme “Pi Phi Lights Anew” is poignant as we have been able to re-engage in person, now seeing the “light” after our dark days of COVID-19.

We’ve had some very fun events this year. Those who attended were able to renew friendships and make some new ones.

- Kickoff with Taco Bar Party at **Cynthia Knox Guenther**’s home [\[click here for photos\]](#)
- 4th Quarter Farm Garden Party [\[click here for photos\]](#)
- 2nd Annual Art Walk in downtown LO led by **Julia Tucker** [\[click here for photos\]](#)
- Community service at The Children’s Book Bank [\[click here for photos\]](#)
- Our most recent Happy Hour at Thirsty Lion [\[click here for photos\]](#)

We have been very fortunate, due to our generous members and Angel Donors, to be able to support two local organizations: **Community Transitional School with school supplies and The Children’s Book Bank with a monetary gift.** On a national level, we supported Pi Beta Phi Foundation’s **Friendship Fund and Literacy Fund.** [\[Click here for photos and a thank you letter from CTS.\]](#)

We hope to see you at our next event, always a favorite, the Holiday Luncheon at the Portland Golf Club. Lots of work goes into the preparation for this event and it is always lovely. Proceeds from our basket raffle at the luncheon will support **Hunger Fighters Oregon** in Lake Oswego.

As a perk for the LO-DUN 2022-2023 dues-paying members who attend the Holiday Luncheon ... they will each be refunded \$5 of their ticket cost. 💕💵💕

We are thankful for all of our club members. A special thank you to **Peggy Bennett Lawson** for sending birthday cards to members for the past several years. She passed the baton for that job to **Julia Tucker** this year.

**Looking forward to seeing you soon. Keep shining your Pi Phi Light in everything that you do!**

We will be accepting reservations for the Holiday Luncheon until **November 23 at noon.**
