April 2016

April is known for its showers, but we had very nice weather on April 2 for Pi Beta Phi Foundation's Halo Happenings event when over 40 of us gathered at Aquariva Restaurant for a lovely brunch. The attendees were from 18 chapters ... six Golden Arrows, 15 Silver Arrows, 12 "tweeners" (initiated between 1992 and 2005), seven young alums and an alumna initiate. We had the opportunity to visit with Pi Beta Phi Grand President **Paula Pace Shepherd** and three members representing the Foundation ... Development Director **Jenny Miller Pratt**, Foundation Board President **Beth Seidelhuber Sordi** and Foundation Trustee **Vivian Long**. They shared with us things going on within the Fraternity and some plans for the 150th Anniversary in 2017 plus news from the Foundation. Do you know that our own club will celebrate 50 great years in April 2017?
