Holiday Luncheon - A Wonderful Success!

In December, the Lake Oswego-Dunthorpe and Portland Alumnae Clubs joined together for our annual Holiday Luncheon. This year's event was hosted by Lake Oswego-Dunthorpe Co-president Alison Burcham.

The Portland Golf Club was beautifully decorated for the holiday season and reconnecting with past sisters and making new ones made this event a tremendous success.

Our silent auction annual tradition was coordinated by Laura Garratt and added to the festivities. Laura did a fabulous job pulling together and decorating the baskets for the auction, which exceeded last year's fundraising efforts!

Thank you to Laura and to all club members that participated in the silent auction through either donations or bids!

Donnie Kunkel won the raffle basket. Donnie, on the left, is pictured with her granddaughter, Lauren Carrier.

REMINDER: Applications for Alumnae Continuing Education scholarships are due no later than February 15, 2010. See www.pibetaphifoundation.org for who may apply and the application process.

Mimosas at Maja's

The Lake Oswego – Dunthorpe members and guests met at Maja Berge's home in Forest Heights to kick off the year, meet new Co-president Alison Burcham, and have mimosas and a light brunch. Alison showed a video about the Pi Beta Phi Foundation and gave the group some details about what the Foundation does. Read more about the Foundation to the right.

Pi Beta Phi Foundation: Serving the members of Pi Phi!

While the amount changes every year, the Foundation provided **\$1,161,892 in awards and grants during the Convention interim (July 2007 – June 2009).**

The Pi Beta Phi Foundation was established in 1990 to serve the fundraising needs of the Fraternity. The Foundation is a 501(c)(3) not-for-profit organization funded through tax-deductible donations from supporters. The Foundation's goal is to enrich lives through education, leadership and philanthropy and act as a strong support for the Fraternity, its members, and the community at large.

The Foundation supports the many grants and programs of Pi Beta Phi Fraternity, which benefit our members and the community. The Foundation always acts in a way that aligns with the Fraternity's core values. All unrestricted gifts are gifts to the Friendship Fund.

These gifts allow the Foundation to fund the areas most in need. A gift to the Friendship Fund supports collegiate and alumnae scholarships and fellowships, the Emma Harper Turner Fund, literacy initiatives including the Fraternity's corporate sponsorship of First Book®, leadership opportunities including Leadership Development Consultants (both Lauren Carrier and Susan Maxwell were

past LDCs), wellness programs, speakers, Arrowmont and Holt House.

The Emma Harper Turner (EHT) Fund is a confidential program that supports alumnae and collegians in dire financial need. Collegians who have experienced a life change that jeopardized their ability to stay in school may apply for an EHT grant.

When an uninsured driver struck the little brother of a Nevada Alpha, her parents were left with extensive medical bills from his long hospital stay and recuperation. Without her parent's financial support, she had no way to stay in school. She was awarded an Emma Harper Turner Fund grant to help her with tuition expenses.

A group who received some of the 250,000 books First Book distributed on behalf of Pi Beta Phi said, "I just wanted to tell you how happy you have made my afterschool children. They come from housing projects in East Baltimore, where there is not much money for them to have access to children's books or parents willing to take them to the library. They were so excited when they learned they got to take books home and keep them."

Pat Swan, in red, invited many of her Golden Arrow friends to join her at the holiday luncheon.

Why should you donate to the Pi Beta Phi Foundation? Your gift will:

- Lead the way to a better future for our members and our communities.
- Serve the Fraternity – its members and member groups.
- Give back to society through our significant literacy programs.

Keep the Foundation in your thoughts when you donate to charitable causes.
